## PRODUCT

The screenshot shows a web browser window with the URL [bitterplay.com](https://bitterplay.com). The page features the Bitterplay logo at the top left and navigation links for Promocode, Log in, and Sign Up. A large headline reads "The Next Level of Multiplayer Mode". Below it, a text block describes the service: "Hang out with your favourite streamers and esports by dint of gaming cards. Receive digital e-signature, joint match-making, e-meet, and gaming gear. Come aboard to get your amazing gaming experience now!" Social sharing buttons for FACEIT, VK, Facebook, and Twitter are present. A promotional banner for "Bonuses by Michal OKOLICIOUZ Glowaty" shows a progress bar at 100% completion. The main feature is a digital card for "OKOLICIOUZ" featuring a photo of a man with a beard and arms crossed, with a red banner at the bottom displaying his name and a lion logo.
