PRODUCT

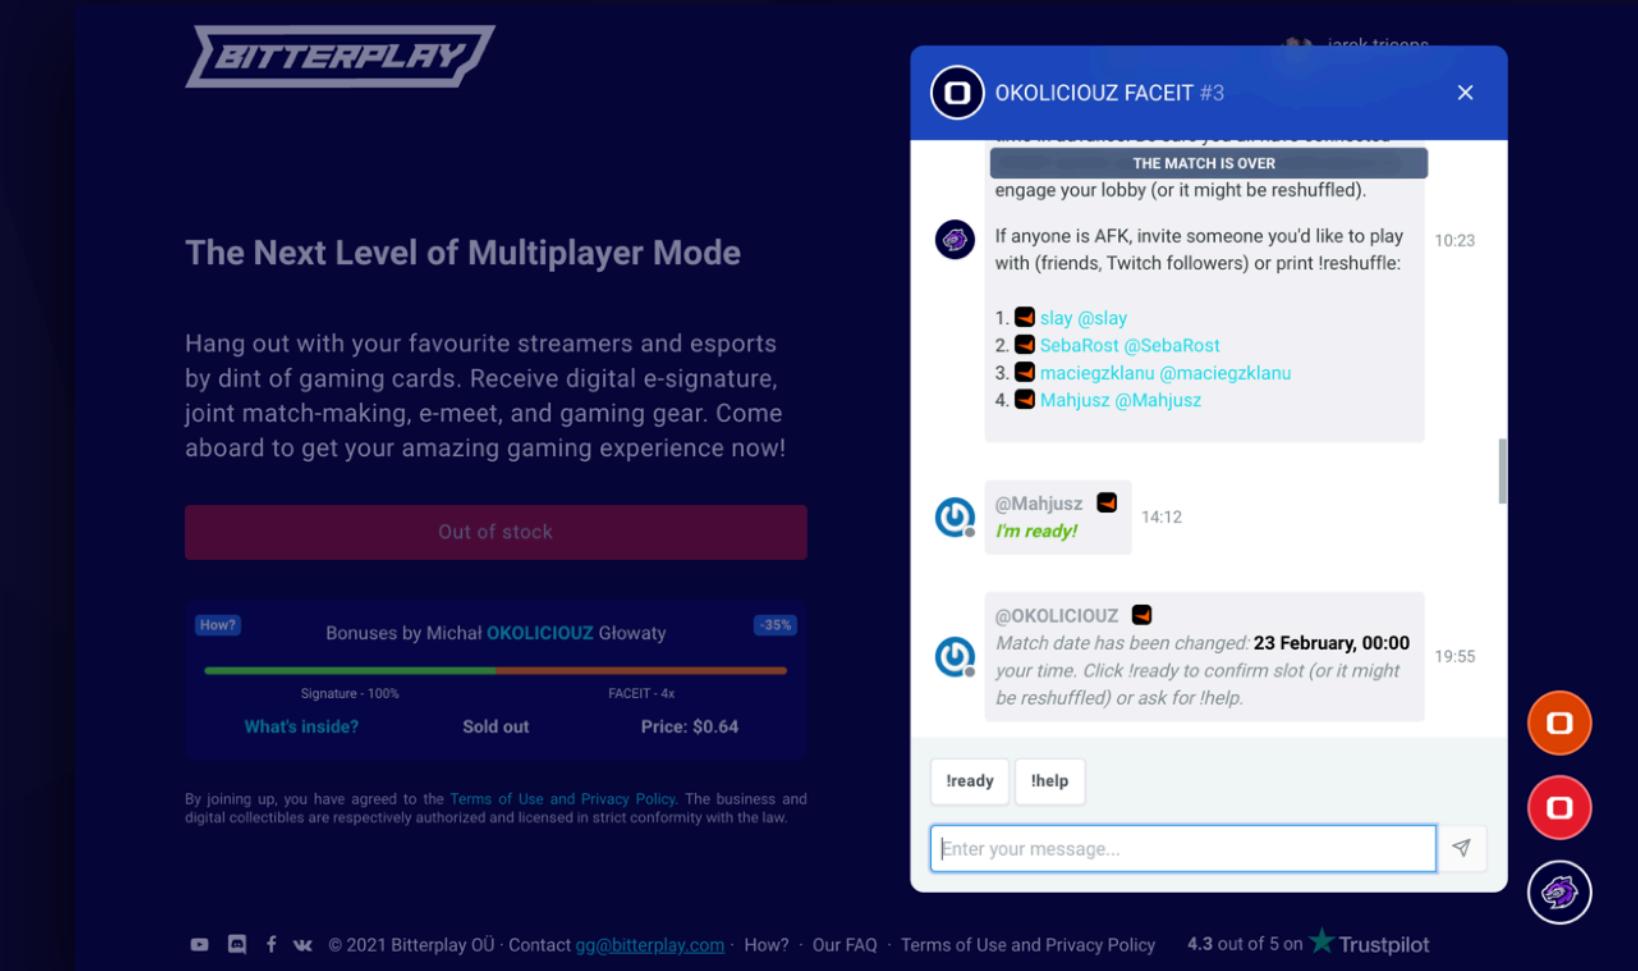

The screenshot shows a web browser window with the URL bitterplay.com. The page features the Bitterplay logo at the top left and navigation links for Promocode, Log in, and Sign Up. A large headline reads "The Next Level of Multiplayer Mode". Below it, a text block describes the service: "Hang out with your favourite streamers and esports by dint of gaming cards. Receive digital e-signature, joint match-making, e-meet, and gaming gear. Come aboard to get your amazing gaming experience now!"

Below the text are social media sharing buttons for Login with FACEIT, VK, Facebook, and more. A specific digital card for streamer "OKOLICIOUZ" is displayed prominently. The card features a photo of the streamer, his name, and a red banner at the bottom. At the very bottom of the page, there is a small note about terms and privacy.

It takes 3 steps and a few moments to play via Bitterplay HOW-TO

1. Add the banner to Twitch

Followers will collect your gaming cards to get shuffled

2. Set the match time every week

Yet another lobby with a squad is shuffling automatically on Friday

3. Invite a picked squad to the game and let's party!
